ABOUT/

**SAVE MONEY. SAVE TIME.
AND AVOID THE UNNECESSARY
TRAVEL AND ROADSHOWS.**

Introducing Studio Iris, our latest innovation: a Live Streaming Broadcast Studio, located exclusively at Emperors Palace in Kempton Park. Like the messenger of Roman mythology, let Studio Iris broadcast your message directly to your target audience, no matter where they are in the country – or world.

Our state of the art and fully customisable studio allows you to harness technology in this new normal and get your message out effectively and professionally, whether is for business, entertainment or private functions.

LET STUDIO IRIS DELIVER YOUR MESSAGE IN REAL TIME:

- Board meetings
- Talks and seminars
- Product Presentations
- Entertainment events (music, comedy, etc)
- Awards shows
- Interviews
- Game shows and draws
- Internal company messages and information sharing

OUR STATE OF THE ART STUDIO IS MANNED BY BROADCAST PROFESSIONALS AND FEATURES:

- High resolution LED Screen which can be used to create any possible digital backdrop
- Acoustically treated studio environment
- Un-interrupted connection via the internet to any location on site, locally and globally
- Fully integrated with the most popular hosting platforms: MS Teams, Zoom, Webex, Webinar Jam, YouTube, Facebook Live
- Multiple Camera Angles up to 1080P Full HD Resolution
- Highly experienced Crew
- Multi-configuration studio setup, specific to your needs
- AutoQue Scripting and Presentation Preview Monitors
- Chic and comfortable green room
- Cutting edge technology including Yamaha LS9-16 Digital Sound Desk, Sennheiser Microphones, 50" Preview Monitors, Astera LED Lights- all to professional broadcast standards.
